We have audited the financial statements on pages 5 to 8 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

This report is made solely to the Company's members, as a body, in accordance with Section 193 (1) of the Companies Act 1990. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and Auditing Standards promulgated by the Auditing Practices Board in Ireland and the United Kingdom.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Acts 1963 to 2012. We also report to you whether, in our opinion proper books of account have been kept by the Company; whether, at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the Company and whether the information given in the Directors' report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the Company's balance sheet and its income and expenditure account are in agreement with the books of account.

We read the information contained in the Annual Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies within the financial statements. Our responsibilities do not extend to any information outside the Annual Report.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
